SERVICE FOR THE PEOPLE

SERVICE FOR THE PEOPLE OF APPOMATTOX COUNTY IS AND WILL BE MY MAIN CONCERN AS TREASURER OF APPOMATTOX COUNTY. I HAVE LISTED BELOW SOME OF MY IDEAS TO IMPROVE THE SERVICE AT THE TREASURER'S OFFICE.

- I will work to have the county tax bills sent out in July so that those citizens who wish may pay a portion of their taxes early. This, I feel, will relieve the burden of all the tax bill being due just before Christmas time. Bills for the balance would be mailed as usual with taxes being due on December 5. I stress that taxes would not have to be paid early, but could be paid by those citizens who would like to pay some portion before the December deadline.
- I will work personally with those people who, because of lay-offs or other problems, are not able to pay their full tax bill. I will help them set up an alternative payment plan to help them during their time of trouble.
- I will work to reduce the amount of "red tape" and unnecessary problems that you have had to go through to purchase county decals for your vehicles.
- I will seek to expand the time for purchasing county decals to more than the present one month.
- During county decal time, I will open the Treasurer's Office on Saturdays and until 6 p.m. on selected days to better serve those citizens who work late or work out of town.
- I will set up the office in a better manner so that the long lines for purchasing decals will be avoided.
- I will use my knowledge and experience to handle the county's money in the most profitable manner. The handling and wise investment of 7½ million dollars a year is a full time job in itself. Every dollar made through wise and prudent investment is a dollar you won't have to pay in taxes.
- I pledge to you that both the staff of the Treasurer's Office and myself, as Treasurer, will be helpful, courteous, and efficient in meeting the needs of the citizens and taxpayers of Appomattox County.
- I will always be open to suggestions from you concerning new and better ways to serve you.
- I consider the Treasurer's job as full time and I will devote my full time and energy to performing this job to the best of my ability.
- The Treasurer is elected as a public servant, I will make every effort to serve you, the people of Appomattox County.

I WILL GREATLY APPRECIATE YOUR HELP, SUPPORT, AND VOTE IN THE NOVEMBER ELECTION.
